Pocklington and District Local History Group - WOLDGATE SCHOOL HISTORY

We will be trying to fit the history of Woldgate into the context of the development of education nationally since 1945 and locally (the East Riding). We are hoping that the personal accounts and memories that you provide will illustrate these national and county developments on a very local scale.

I had a great time at Woldgate it was daunting to start with ,but I soon settled in , my favourite subject was pe I also represented Woldgate at hockey and tennis , I used to enjoy home economics but unfortunately wasn't great at this and cooking is still something I may struggle with from time to time , I left Woldgate with some friendships which are now over 20 years old and these people will always be the closest of friends to me, we've gone through happy and sad times together and this is all through meeting at Woldgate , I remember looking though prospectuses whilst in my last years at Woldgate and this is where I found the one for bishop Burton and found the floristry section really interesting, thankfully I applied for a place and was lucky enough to gain one , from there I started a work experience place at the mouse house not in my wildest dreams thinking I would own it one day , I definitely have Woldgate school to thank for a lot of things and I have only the fondest memories of this school which now my son attends and is also enjoying his time there.
